DETAILED ACTION

Election/Restrictions

1. The examiner considers claims 6 and 11 to be entirely different methods of playing wherein a player starts by "placing **at least two** ante wagers", wherein claim 1 a player starts with placing "one ante wager".
2. Amended claims 6 and 11 directed to methods of playing starting the game by placing "at least two ante wagers" that are independent or distinct from the invention originally claimed in claim 1. Amended claims 6 and 11 cannot be practiced without destroying the method of claim 1.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 6-20 withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

3. This application contains claims 6-20 drawn to an invention nonelected with traverse in Paper No. 9/27/06. A complete reply to the final rejection must include cancellation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

Claim Rejections - 35 USC § 112

4. Claims 1-5 recites the limitation "the rank" in claim 1. There is insufficient antecedent basis for this limitation in the claim.

5. Claims 1-5 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 5, "showing/exposing one of the banker's cards" is unclear. Previous steps do not refer to dealing "unexposed cards" or "face down" for "exposing" at later stage.

Examiner suggests amending claim 1 to "dealing 'unexposed cards' prior to "exposing/showing" cards.

Further "poker-type" is indefinite.

Claim 4 lacks structure for 1X, hence indefinite.

Response to Arguments

6. Applicant's arguments filed 9/27/06 have been fully considered but they are not persuasive. Amended claim 1 stays indefinite, see office action as above. Claim 4 has not been amended for further clarification of "1X".

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

Art Unit: 3711

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
